Intertek Certification Limited is a UKAS accredited body under schedule of accreditation no. 014.

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organisation maintaining their system in accordance with Intertek's requirements for systems certification. Validity may be confirmed via email at certificate.validation@intertek.com or by scanning the code to the right with a smartphone.

The certificate remains the property of Intertek, to whom it must be returned upon request.

Unit I: A-20,Phase-I , Industrial Area, Adityapur,
Jamshedpur -832109, Jharkand, India
Telephone: 9234678605

Dear Mr. Bhupinder Singh,

We are pleased to inform **JMT Auto Ltd (An Amtek Group Company)** has been approved for registration to ISO 14001: 2004 and OHSAS 18001:2007 standard and will be listed in Intertek Register of Approved Firms.

Please find enclosed Certificate of Registration, which you may proudly display as an indication of having received independent third party certification by Intertek.

To understand the usage of certification logos, logo usages rules are enclosed along with this. The enclosed CD containing logos may be used to reproduce the registration logo in accordance with the Logo Usage Rules (Use of Certificates and Certification and Accreditation Marks).

Please note that ISO 14001:2015 replaces the ISO 14001: 2004 standard. The certificates issued against ISO 14001: 2004 will be valid till 14/09/2018. All certification under this standard need to transit to the revised standard before this date.

Upon registration to above standards, it is important to note that the surveillance assessments must be conducted before the due date. Your assessment due dates are as given below

Surveillance 1 : 20/05/2017

Surveillance 2 : 20/05/2018

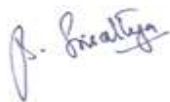

Recertification: 11/04/2019

The certificate validity is subject to satisfactory performance of the management system and timely conduct of the surveillance assessments. Any undue delay in conducting the audit could jeopardize the continued validity of the above certification. Hence kindly get in touch with our scheduling staff at least 60-90 days before due dates.

We are also enclosing the customer feedback form; please take some time in filling the questionnaire to help us to improve our services.

Should you require further clarification on any of the above matter; please feel free to contact us for any assistance.

Truly yours,

Srisathya Balasubramanian
Manager – Accreditation
